Important reminders and other information

Check that your doctor has prescribed the maximum days' supply allowed by your plan (not a 30-day supply), plus refills for up to 1 year, if appropriate. Also, ask your doctor or pharmacist about safe, effective, and less expensive generic drugs.

Complete the Health, Allergy & Medication Questionnaire.

There may be a limit to the balance that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

If you are a Medicare Part B beneficiary AND have private health insurance, check your prescription drug benefit materials to determine the best way to get Medicare Part B drugs and supplies. Or, call Member Services at 1 800 711-0917. To verify Medicare Part B prescription coverage, call Medicare at 1 800 MEDICARE (1 800 633-4227).

Medco will make all possible efforts, as appropriate by law, to substitute generic formulations of medication, unless you or your doctor specifically directs otherwise.

☐ Pennsylvania and Texas laws permit pharmacists to substitute a less expensive generic equivalent for a brand-name drug unless you or your doctor directs otherwise. **Check the box if you do not wish a less expensive brand or generic drug.**

Please note that this applies only to new prescriptions and to any refills of that prescription.

For additional information, log in to **www.medco.com** or call Member Services at 1 800 711-0917. TTY/TDD users should call 1 800 759-1089.

Federal law prohibits the return of dispensed controlled substances.
