Important Questions	Answers	Why This Matters:
What is the overall deductible?	For participating providers **$150** person / **$300** family. For non-participating providers **$300** person /**$600** family. Doesn't apply to office visits.	You must pay all the costs up to the **deductible** amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the **deductible**.
Are there services covered before you meet your deductible?	Yes. Office Visits, Therapy Visits, with copayment, etc.	
Are there other deductibles for specific services?	No. There are no other specific **deductibles**.	You don't have to meet **deductibles** for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the out-of-pocket limit for this plan?	Coinsurance after the deductible is met. For participating providers: Plan pays 90%/Member pays 10% up to **$500 person/$1,000 family**. For Non-participating providers: Plan pay 70%/Member pays 30% of allowance up to **$1,000 person/$2,000 family**.	The **out-of-pocket limit** is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Office Copays, Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes.	
Do you need a referral to see a specialist?	No.	

All coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
